RE: Final Report Approval for Soulard Second Street, St. Louis, Missouri

Dear Ms. Knowlton:

On behalf of the United States Environmental Protection Agency I am approving of the subject document dated January 21, 2021, with no comments or conditions. The report was thorough and met all of the applicable construction and reporting requirements of Sections 32 through 38 of the Administrative Settlement Agreement (CERCLA-07-2019-0124). In addition, the monitoring procedures and schedule proposed in the revised O&M Plan are approved.

Thank you for your cooperation in the safe redevelopment of this property.

Sincerely,

**BRUCE
